5. Rs. 275 under "14—Anchal—Establishment of Superintendent".

Mr. P. J. George: Sir, I rise to move for an additional allotment of Rs. 275 under '14—Anchal—Establishment of Superintendent'. The allotment made in the current budget under the head has been found insufficient to meet the requirements of the year. This is due to the grant of leave allowances to subordinates in inevitable cases. An additional allotment of Rs. 275 has therefore become necessary under the above head to meet which no savings are available under other heads. Hence the additional allotment. I request the House may be pleased to sanction the expenditure.

Mr. President: Mr. Panikkar's amendment also is to discuss a question of policy. Mr. Iyyu's amendment is out of order.

An amount of Rs. 4,250 had been provided in the current year towards the maintenance of barges and tugs. The provison was made for working the barges for six months only, by which time it was expected that the submerged pipeline would be completed and be in service. But the pipeline could not be put through within this time and so the barges have to work for an additional period of 3 months this year. Besides, some unexpected repairs costing Rs. 764 had also to be carried out to the barges. Thus an additional expenditure of at least Rs. 2,000 over the allotment provided has to be incurred this year. Savings are not available under other heads for transfer to the head concerned.
